Last Month's ride at Moab

Thanks to all those that came out to the Moab ride. We had a great time. Several of us were able to spend a couple of days riding and had everything from smooth sand to rough steep rock. I think that everyone had fun. We made it back Saturday just as the rain moved in. What a great thunder and lightning storm Saturday night. Bill Walton did a great job leading this ride. Thanks.

Check out the web page for pictures:

April 17th - Simpson Springs

You can meet at the Lookout pass/Pet Cemetery area at 9:30 and then we will ride down to the campground and start the ride at 10:00. Bring your own lunch and water.

May 15th - Knolls Rodeo

This is one of the best events that we have each year. It gives everyone the chance to compete in rodeo style events. There is a \$6.00 day use fee for the area. Lunch is a potluck style so bring something to share and the meat will be provided by the club. Come out and have some fun.

June 19th - Strawberry

This will be our clean up ride. We hope you all will attend so we can do our part and keep our trails clean. More info will come later when we know where they will need us the most.

June 25-26th - Widow Maker

If you are available to come out and help with this event please let Doug know. It is held in Croydon, UT.

July 10th - Joe's Valley

We will be meeting in the Joe's Valley campground at 10:00. This area is full of beauty and has lots of trails to explore. A favorite for many of our members. There will be some people staying for the week at the campground. You can make your reservations at www.recreation.gov

August 28-29th - Ride For Life

The packets are being mailed out with registration info. The room price is the same as last year. You can contact Kristi @ 801-254-3345 to make your reservation. Last year we did a test run with the razors and unfortunately we will not be allowing any razors on this year's ride due to many circumstances. We are still in need of prizes, so please try to donate what you can. Contact Kristi if you need further information.

September 18th - Marysvale

We changed this ride so we could enjoy the Piute trail without the snow. The Piute trail is one of the best trail systems in the state and offers some of the most beautiful scenery. This is one ride you will not want to miss.

October 2nd - Club Picnic

We will meet in the parking lot of bountiful mountain. We will have a fun ride and then do the picnic. This will be a pot luck so please bring something to share.
